Agenda Item No. 8(F)(9)

Subject: Recommendation for Approval to Award: Purchase of Prime-Mover

Recommendation

It is recommended that the Board of County Commissioners (Board) approve award of *Contract No. FB-00377, Prime-Mover*, for the Department of Transportation and Public Works. Under the contract, the department will purchase one (1) replacement production prime-mover to support its operations. More specifically, the prime-mover will function as a work train, receiving revenue cars, transporting employees to and from work areas and performing rail repair, replacement and wayside related maintenance tasks. The prime-mover will also be utilized to tow new rail passenger vehicles when a failure occurs. Currently, the Department of Transportation and Public Works has four (4) prime-movers, the newest being over 15 years old. Preventive maintenance on this replacement prime-mover will be conducted in-house by technicians in the Track and Guideway Section of the department while the manufacturer's warranty covers defective materials during the first year of service.

This item is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). The Board may only consider this item if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or 45 days have elapsed since the issuance of this recommendation. If CITT has not forwarded a recommendation and 45 days have not elapsed since the issuance of this recommendation, a withdrawal of this item will be requested.

Scope

The scope of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for this one-time purchase for the one-year term is \$1,473,000. This amount is based on the lowest bid for the prime-mover.

Department	Allocation	Funding Source	Contract Manager
Transportation and Public Works	\$1,473,000	DTPW Operating	Jesus Valderrama
Total	\$1,473,000		

Track Record/Monitor

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise all provisions of the contract, including any extensions or renewals, pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38.

Due Diligence

Pursuant to Resolution No. R-187-12, due diligence was conducted in accordance with the Internal Services Department's Procurement Guidelines to determine contractor responsibility, including verifying corporate status and that there are no performance or compliance issues. The lists that were referenced include convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to contractor responsibility.

Applicable Ordinances and Contract Measures

- The two (2) percent User Access Program provision applies and will be collected on all purchases.
- The Small Business Enterprise Bid Preference and Local Preference were applied in accordance with the ordinances. However, the preferences did not affect this recommendation to award as all of the bidders are out of state companies with no local presence.
- The Living Wage Ordinance does not apply.
